18<sup>th</sup> April 2023

Dear Parents/Carers

## The King's Coronation Celebrations Tuesday 2<sup>nd</sup> May 2023

As part of the celebrations for the forthcoming King's Coronation we will be holding an afternoon tea party on the above date. School will provide a cake for every child. (Please let your child's class teacher know if your child has any allergies.)

All the children are invited to come to school on Tuesday 2<sup>nd</sup> May dressed as Kings or Queens, or in their special celebration clothes.

We will be holding a competition in school on that day for Coronation portraits of the King but we would also like to invite children to make a Coronation Crown at home, which they then bring in to wear at our tea party. There will be a prize for each class.

Every child will also receive a commemorative gift of this special occasion to take home on the day.

Yours sincerely

**Mrs C Skingsley**  
Headteacher
