Mother's day donations and shop

Dear Parents/Carers,

Mother's Day is fast approaching, and we would like to reach out to our community to ask for much needed donations for our Mother's Day shop that will be open from 24th of March to 28th of March for our students to choose during school a small gift as a token of their love.

We are asking for:

Bath bombs, key rings, soaps, hand lotions, face creams, candles, chocolates, biscuits etc

A huge thank you to you all in advance, your help is appreciated by both staff and students.

If your child would like to pick out a present, we are asking for a **£2.50** payment per present, to cover wrapping materials and presents that we need to buy to top up your kind donations.

Please complete the slip below with your child's/children's details and enclose your payment in an envelope. Payments can be given to their class teacher or to the school office.

Kindest Regards,

**Miss Bone
Goldington Green Academy PTFA**
